

Shorty Don't Wait Lyrics [A Great Big World](#)

Chorus:

Shorty don't wait in line
Shorty don't wait till the sun don't shine
Shorty don't wait in line
Shorty don't wait till your life goes by

Verse 1:

When your heart don't feel like dancing
I'll be there to give you mine
When you lose that happy feeling
I will lift your spirits high

Chorus:

Shorty don't wait in line
Shorty don't wait till the sun don't shine
Shorty don't wait in line
Shorty don't wait till your life goes by

Verse 2:

All those people who have hurt you
They ain't worth your precious time
When there's no one you can turn to
I'll be right there by your side

Chorus:

Shorty don't wait in line
Shorty don't wait till the sun don't shine
Shorty don't wait in line
Shorty don't wait till your life goes by

Coda:

Take that weight off of your shoulders
You can rest your head on mine
When you feel like starting over
Don't think twice, yeah, it's alright
(Yeah, it's alright)

Oh...

Chorus:

Shorty don't wait in line
Shorty don't wait till the sun don't shine
Shorty don't wait in line
Shorty don't wait till your life goes by
