

## **This Is The New Year Lyrics** **A Great Big World**

---

*Verse 1:*

Another year you made a promise  
Another chance to turn it all around  
And do not save this for tomorrow  
Embrace the past and you can live for now

*Pre-Chorus 1:*

And I will give the world to you

*Verse 2:*

Speak louder than the words before you  
And give them meaning no one else has found  
The role we play is so important  
We are the voices of the underground

*Pre-Chorus 2:*

And I would give the world to you

*Verse 3:*

Say everything you've always wanted  
Be not afraid of who you really are  
'Cause in the end we have each other  
And that's at least one thing worth living for

*Pre-Chorus 2:*

And I would give the world to you

*Coda:*

A million suns that shine upon me  
A million eyes you are the brightest blue  
Let's tear the walls down that divide us

And build a statue strong enough for two

*Chorus:*

I pass it back to you  
And I will wait for you  
'Cause I would give the world  
And I would give the world  
And I would give the world to you

*Bridge:*

This is the new year  
A new beginning  
You made a promise  
You are the brightest  
We are the voices

*Interlude:*

This is the new year  
We are the voices  
This is the new year

*Outro:*

A new beginning  
You made a promise  
We are the voices  
This is the new year
